Dear Governor Abbott,

As a result of the ongoing surge of individuals unlawfully crossing the Texas-Mexico border, Throckmorton County is facing an imminent threat of widespread and severe damage. The county is under the threat of property damage, injury, property crime, human and drug trafficking, and violent crime.

It is my belief the border crisis has impacted our County and will continue to impact this County. I have determined that this ongoing surge of individuals unlawfully crossing the Texas-Mexico border is of such severity and magnitude that an effective response is beyond Throckmorton County's capability to recover without supplementary State and/or Federal assistance. Additionally, I certify that Throckmorton County does not have local funding available to make the needed changes and to provide these citizens with effective relief.

Your assistance in this emergency matter, as it affects the safety and health needs of our citizens would be appreciated.

Sincerely,

Trey Carrington  
Throckmorton County Judge
