# **Security Requirements**

## **For CJIS/TCIC**

All doors must have locks that track who entered the secure areas and what time they entered either by fingerprint or code or something that keeps a log.

This includes the Dispatch and Admin office doors, the Deputy's office doors and the Sheriff's office doors. Access will only be allowed to the appropriate staff at each office.

The secured offices and public hallway except for the Sheriff's personal office should be under video surveillance with a device capable of recording.

All unlicensed visitors to the dispatch office must be logged with name and time and the reason for the visit.

No one should be allowed into any of the offices unattended that does not have licensing this includes arraignments, cleaning, maintenance etc...

This office must sign and comply with the Tlets Agency Agreement and to do so these requirements must be met and maintained. Rule 17. If we remain uncompliant the TLETS equipment will be removed by DPS.

The equipment is considered County Security and should be purchased as courthouse security upgrades.

Re: Tax Abatement Agreement by and between Throckmorton County, Texas (the "**County**") and King Creek Wind Farm 1 LLC (formerly known as King Creek Wind Farm LLC) (the "**Project Company**"), dated effective August 24, 2020 (the "**Agreement**")

Dear Judge Carrington:

I am writing to provide an update on our project that is the subject of the Agreement and to request your acknowledgment and agreement to certain matters related to the Agreement as follows.

1. Our project is expected to come on-line in the first quarter of 2022. In that connection, the Project Company experienced delays in construction from factors outside of its control as defined in Section 9.7 of the Agreement, which it has worked to remedy with all reasonable dispatch as required by the terms of the Agreement so that construction was substantially complete with all major activities and connected to the grid electrically by December 31, 2021. For greater clarity, the Project Company requests your acknowledgment on behalf of the County that the date for achieving substantial completion under Section 1.2 of the Agreement has been extended by such delays and that achievement of substantial completion by March 31, 2022 will satisfy the Project Company's obligation to use all reasonable dispatch to remedy such delay.
2. The Project Company provided notice to the County on December 20, 2021 of its election that the Commencement Date for the Abatement Period (as such capitalized terms are defined in the Agreement) begin on January 1, 2022. However, pursuant to Section 2.2 of the Agreement, the Project Company was required to make this election not later than December 1, 2021. Accordingly, the Project Company requests your acknowledgment on behalf of the County of waiver of the late delivery of this election and that such notice constituted, and is valid and effective as, notice of election by the Project Company that the Commencement Date for the Abatement Period will begin on January 1, 2022.
3. The Agreement was executed by the Project Company in its former name, King Creek Wind Farm LLC, because that was its name at the time of the application. This letter will serve as notice to the County of the subsequent change in the name of the Project Company to King Creek Wind Farm 1 LLC and confirm that, notwithstanding the execution and delivery of the Agreement in its former name, such actions were on behalf of and binding upon the Project Company in its new name, King Creek Wind Farm 1 LLC. Please make note of the change in the name of the Project Company in the County's records for this Agreement.
